

The Denison College Difference

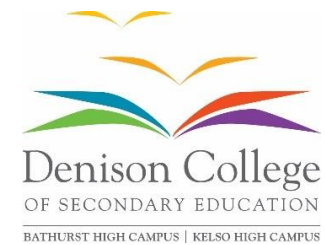

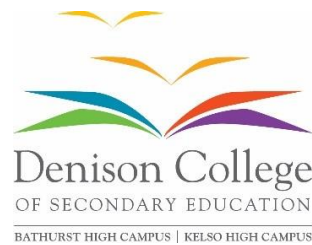

Both campuses provide unrivalled curriculum choice and post-school pathways for individual students.

There is a broad range of extra-curricular, academic, sporting and cultural activities to broaden the skills of each student.

Comprehensive wellbeing programs support teenagers and their families through secondary years at Denison College.

We are proud of our professional, experienced, caring and committed staff.

Both campuses of Denison College provide students with the skills and capabilities to give them more options and choices in their future work.
