# PART 1: HSC REQUIREMENTS

## NSW EDUCATION STANDARDS AUTHORITY (NESA)

This guide is for students entered for Year 11 courses in 2022. This assessment policy is based on NSW Education Standards Authority requirements. Detailed information and assistance is available on the NESA website.

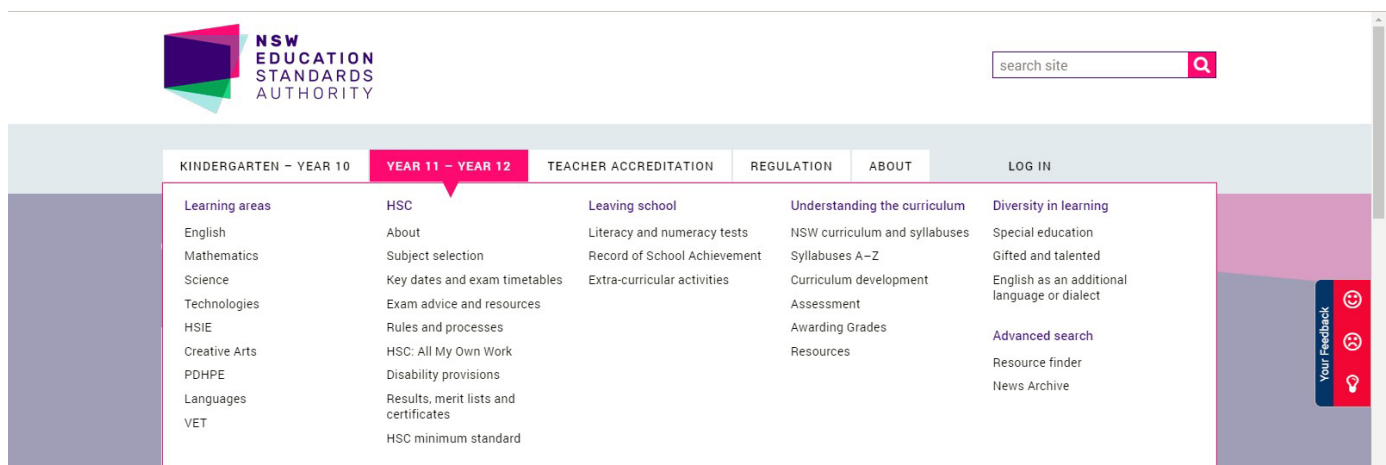

The Higher School Certificate Rules and Procedures guide must be read by all students entered for an HSC course.

The Education Act 1990 (NSW) governs the award of the Higher School Certificate. The NSW Education Standards Authority (NESA), under this Act, grants certificates to students who comply with the Act and NESA requirements.

The main rules and requirements for the Higher School Certificate are set out in this guide.

Students can obtain more detailed explanations of the rules and requirements by referring to the Assessment, Certification and Examination website and the NSW Education and Standards website, [www.educationstandards.nsw.edu.au](http://www.educationstandards.nsw.edu.au) where you will find links to:

# ELIGIBILITY REQUIREMENTS FOR THE 2023 HSC

To complete the Year 11 Course and be eligible to commence the HSC you must have:

- Completed 12 units of Preliminary Courses, including 2 Units of English.
- Complete 'HSC: All My Own Work' (or its equivalent) before you submit any work for Preliminary or HSC courses, unless you are only entered for Year 11 and Year 12 Life Skills courses.
- Sit for and make a serious attempt at the required end of course exams.

Some courses have certain rules and prerequisites. Please check the requirements for your courses with your course teachers and/or Careers Advisor.

Enrolling in a course that you are not eligible for could put your RoSA and HSC at risk, so carefully check your eligibility for all courses you are entered for.

You will receive your ROSA and Higher School Certificate from NESA following successful completion of the HSC. This is received in the mail and you can access your results online.

For further details, see the NESA website, Assessment Certificate Examination (ACE) or the Denison College Senior Studies Guide issued to all students as part of their Future Directions program in Year 10.

## NESA COURSE REQUIREMENTS

Students will be considered to have satisfactorily completed each course if there is sufficient evidence that you have:

- Followed the course developed or endorsed by NESA;
- Applied yourself with diligence and sustained effort to the set tasks and experiences provided by the school; and
- Achieved some or all of the course outcomes.

## HSC: ALL MY OWN WORK

Students completed the NESA program HSC: All My Own Work at the completion of Year 10 2021 and are reminded of the following guidelines:

All work presented in assessment tasks and external examinations (including submitted works and practical examinations) must be the student's own or must be acknowledged appropriately. Malpractice, including plagiarism, could lead to a mark of zero and a non-award in the Year 11 Course and Higher School Certificate.

Malpractice includes, but is not limited to:

- Copying someone else's work in part or in whole, and presenting it as your own, including using material directly from books, journals, CDs or the internet without reference to the source;
- Building on the ideas of another person without reference to the source;
- Buying, stealing or borrowing another person's work and presenting it as your own;
- Submitting work to which another person such as a parent, coach or subject expert has contributed substantially;
- Using words, ideas, designs or the workmanship of others in practical and performance tasks without appropriate acknowledgement or paying someone to write or prepare material;
- Breaching school examination rules or using non-approved aides during an assessment task;
- Contriving false explanations to explain work not handed in by the due date; or
- Assisting another student to engage in malpractice.

# HONESTY IN HSC ASSESSMENT

"The honesty of students in completing assessment tasks, examinations and submitted works, and of teachers and others in guiding students, underpins the integrity of the Year 11 Course and HSC. Throughout the assessment process, the highest level of honesty is required.

Each student's mark will be determined by the quality of the work produced by the student only. To demonstrate honesty, any component of a student's work that has been written, created or developed by others must be acknowledged in accordance with NESA's subject specific documentation. Use or inclusion of material from other sources such as books, journals and electronic sources, including the internet, must be acknowledged. General teaching and learning do not require formal acknowledgement.

Dishonest behaviour carried out for the purpose of gaining unfair advantage in the assessment process constitutes malpractice, or cheating. Malpractice in any form, including plagiarism, is unacceptable. The NESA NSW treats allegation of malpractice very seriously and detected malpractice will limit a student's marks and jeopardise their HSC. Should malpractice be suspected, students will be required to demonstrate that all unacknowledged work is entirely their own. Serious and deliberate acts of malpractice amount to corrupt conduct and, where appropriate, the NESA NSW will report matters to the Independent Commission Against Corruption. Details are also entered onto the NESA Malpractice Register." (ACE 9022)

## DISABILITY PROVISIONS - FOR STUDENTS WITH MEDICAL AND LEARNING REQUIREMENTS

Disability provisions are available for students with a range of medical and learning conditions, for example, students with diabetes or students with conditions that prevent them from reading the examination questions and/or communicating responses. Disability provisions are applied for by the school. Deputy Principals can provide further information.

Disability provisions in the HSC are practical arrangements designed to help students who couldn't otherwise make a fair attempt to show what they know in an exam room. The provisions granted are solely determined by how the student's exam performance is affected.

It is important to apply for provisions if you have a medical or learning requirement. More than 7000 HSC students apply for provisions each year. Provisions help students to show the markers what they know and can do. Schools are responsible for determining and approving disability provisions for all school-based assessment tasks. NESA determines disability provisions for the Higher School Certificate examinations.

To apply for provisions, schools must submit an online application to NESA. This application tells us which provision/s a student is requesting and includes recent evidence. Evidence may include medical reports, reading results, spelling results, writing samples and teacher comments.

## EXAMINATION ILLNESS/MISADVENTURE APPEALS

If a student believes that his/her performance in an examination was diminished because of circumstances beyond their control, an Illness/Misadventure Appeal may be lodged. Note that misreading the examination timetable is NOT a valid reason for a misadventure appeal.

An appeal may be made for a variation to results if the student was prevented from attending an examination, or performance was affected by illness or misadventure immediately before or during the examination.

Appeal forms are available from the Deputy Principal at each Campus.

Further details of appeal procedures are on the appeal form and on the Illness/Misadventure Information form in the Appendices section of this booklet. It is your right and responsibility to lodge an appeal. See the NESA website for further details.

# N DETERMINATION

An N Determination Warning Letter is issued to students who fail to complete Assessment Tasks or who fail to show diligence and sustained effort which may be a result of poor attendance or course work not completed. Students are given a set time to complete the work or demonstrate competencies. Once the work has been completed or the competencies demonstrated the warning is cleared.

If the student does not subsequently meet course requirements as detailed in the N Determination Warning Letter(s), the student may receive a Non-Completion Determination. This means that the student will receive no results in that course. For students to be deemed unsatisfactory, they will be given a minimum of two official N Determination Warning Letters.

This means that the student is jeopardising their Year 11 RoSA or HSC credentials.

## VOCATIONAL EDUCATION AND TRAINING (VET) COURSES

Students do not receive an assessment mark for VET courses. VET courses deliver units of competency that are drawn from industry training packages. Instead, students are eligible to receive a record of completed competencies and/or a statement of attainment.

**Work placement is a mandatory requirement of each VET course.** For each course, a minimum number of hours are required in the workplace to enable students to progress toward the achievement of industry competencies and to practise skills acquired in the classroom or workshop. This is usually 35 hours in the preliminary course and 35 hours in the HSC course. Failure to complete the mandatory work placement will mean that the student will not satisfy the requirements for the successful completion of the VET course and may jeopardise their eligibility for completion of the HSC if they do not require an ATAR.

Schools must provide an estimated examination mark for all students entered for the optional HSC examination. This mark will be an estimate of likely performance in the HSC examination and will be used only in the case of an illness/misadventure appeal.

PLEASE NOTE: Assessment for VET courses is competency-based and will be ongoing throughout the duration of the course. Compulsory examinations for each school-based VET course will be conducted during the Year 11 End of Course examinations and Trial HSC examinations under formal examination rules as prescribed by each campus.

For VET courses, the examination results may be used by the school to provide an estimate to NESA. It should be noted that examination results have no bearing on the assessment of competence.

**As recommended by NESA, all VET students will sit internal formal examinations such as Year 11 End of Course Examinations at Denison College of Secondary Education.**

## **PART 2:**

# **DENISON COLLEGE ASSESSMENT POLICIES AND PROCEDURES**

The assessment program has been prepared in accordance with each NESA syllabus which specifies the components of the course to be assessed and their weightings. Assessment tasks are designed to measure knowledge, skills and understanding in relation to a wide range of outcomes. They include tests, written assignments, practical activities, fieldwork and projects.

Students must make a genuine attempt at assessment tasks that total more than 50% of the available school assessment marks for that course.

### **STUDENTS CAN BEST MEET THESE COURSE REQUIREMENTS IF THEY:**

- Attend all timetabled lessons and minimise absences from class for any reason. Absences quickly accumulate, for example if a student misses a double period of a subject, they will have missed one half of the timetabled lessons for that subject in one week;
- Complete all activities set during class time;
- Complete homework set by the teacher;
- Regularly revise all work and implement a regular study timetable; and use the planning calendar;
- Complete past Higher School Certificate papers; and
- Complete all Assessment Tasks planned for each course to maximise their Higher School Certificate result.

## **ASSESSMENT MARKS**

Each syllabus document outlines the Year 11 course assessment, the suggested component and weightings for the course. Students will find these set out in the assessment schedules for each subject in Part 3 of this booklet.

The assessment marks awarded are only used in the Year 11 course. Assessment ranks will be shown on school reports together with a grade based on the Common Grade Scale for Year 11 Courses (see over page) as developed by the NESA.

## **ASSESSMENT SCHEDULES**

- Students will be given written notification of each assessment task with a minimum notice of two weeks before the due date of the task and they will sign a register to acknowledge receipt of the task.
- Students may have more than one assessment task due at the same time and should schedule adequate time to complete each task.
- If an assessment schedule needs to be altered, the Head Teacher will advise students in writing.
- There will be no tasks set in the two weeks before school examinations.

# COMMON GRADE SCALE FOR YEAR 11 COURSES

The Common Grade Scale shown below will be used to report student achievement in Year 11 in all NSW schools. The Common Grade Scale describes performance at each of five grade levels.

## COMMON GRADE SCALE

- A** The student demonstrates extensive knowledge of content and understanding of course concepts, and applies highly developed skills and processes in a wide variety of contexts. In addition, the student demonstrates creative and critical thinking skills using perceptive analysis and evaluation. The student effectively communicates complex ideas and information.
- B** The student demonstrates thorough knowledge of content and understanding of course concepts, and applies well-developed skills and processes in a variety of contexts. In addition, the student demonstrates creative and critical thinking skills using analysis and evaluation. The student clearly communicates complex ideas and information.
- C** The student demonstrates sound knowledge of content and understanding of course concepts, and applies skills and processes in a range of familiar contexts. In addition, the student demonstrates skills in selecting and integrating information and communicates relevant ideas in an appropriate manner.
- D** The student demonstrates a basic knowledge of content and understanding of course concepts, and applies skills and processes in some familiar contexts. In addition, the student demonstrates skills in selecting and using information, and communicates ideas in a descriptive manner.
- E** The student demonstrates an elementary knowledge of content and understanding of course concepts, and applies some skills and processes with guidance. In addition, the student demonstrates elementary skills in recounting information and communicating ideas.

## STUDENT ORGANISATION

It is a student's responsibility to organise study and preparation time to ensure that assessments tasks are submitted by the due date.

Denison College provides all Year 11 students with this Year 11 Assessment Booklet. In addition, all Year 11 students are provided with a Denison College Wall Planner to assist students in planning homework and study requirements, as well as recording the due dates of all assessment tasks and other obligations and events in the year.

Students should start tasks early, break them into a series of small steps and set deadlines for completing each step. Students should back up all work prepared on computer as the failure of technology is not generally an acceptable excuse for the late submission of work. Students are advised to keep a copy of all written work they submit.

# HOW TO SUBMIT ASSESSMENT TASKS

- In class Assessment Tasks - these tasks are supervised by the class teacher and collected by the teacher at the end of the lesson.
- Major projects – these items are submitted directly to the teacher. Projects are stored in an appropriate faculty location to minimise the risk of damage.
- Performances – are marked in class on the scheduled assessment day.
- Take home Assessment Tasks – these are the tasks that students are required to complete by a due date. They must be placed in the locked Assessment Task Submission Box at the front office by the end of the school day on the due date. Students must keep a copy of these tasks and the receipt provided by the office. Take home tasks can also be submitted online via Google Classroom or Microsoft Teams - the task and all documents must be uploaded/ submitted and accessible by the due date and time (students are responsible for ensuring teachers have full access/ permissions to all documents).

## SHARED COURSE STUDENT SUBMISSION OF TASKS

Students who attend another campus can submit these Assessment Tasks at the Office of their home campus.

Students must comply with campus policy and procedures for the submission of Assessment Tasks. A cover sheet for Assessment Tasks will be provided by the teacher supervising the course and must be attached to the front of the Task when it is submitted. Assessment Tasks are submitted to the front office, unless otherwise advised. An example of the assessment cover sheet is provided in the Appendices to this booklet. Assessment schedules for shared courses can be found in Part 4.

## DENISON COLLEGE PLAGIARISM AND MALPRACTICE POLICY

If any plagiarism is found in an Assessment Task or an Examination a student will receive zero (0) for that task and must resubmit it by a negotiated due date. Any cheating or malpractice in an Assessment Task or exam will be dealt with by the Deputy Principal for Year 11, KLA Head Teacher and Principal.

As per NESA rules, the student is placed on the NESA Malpractice Register. Cheating or malpractice includes not following the rules and instructions for examinations or in-class exam style tasks. These rules are included in this booklet (Refer to Appendices).

<https://educationstandards.nsw.edu.au/wps/portal/nesa/11-12/hsc/rules-and-processes/rules-and-procedures-guide>

## APPLICATIONS FOR RENEGOTIATION OF ASSESSMENT TASK AND ILLNESS/ MISADVENTURE CONSIDERATION

Students may apply for an extension of time for illness or unavoidable misadventure (see Appendices of this booklet for the form). Documentation (e.g. doctor's certificate or written declaration) must be provided. See the Deputy Principal for Year 11.

# LATE SUBMISSION OF ASSESSMENT TASKS

If a student fails to complete a task specified in the school-based assessment program and the teacher considers the student has a valid reason (e.g. illness or endorsed leave), the principal may decide that, in accordance with the school's assessment policy, an extension of time may be granted or a mark may be awarded based on a substitute task.

In exceptional circumstances (e.g. where undertaking of a substitute task is not feasible or reasonable, or where the missed task is difficult to duplicate), the principal should authorise the student to receive an estimate based on other appropriate evidence.

**If there is no valid reason for failing to complete an assessment task on time, a zero mark must be recorded for that task.**

If a student's attempt at a particular task scores zero, the question of whether the attempt was a genuine one is a matter for the teacher's professional judgement.

# DENISON COLLEGE FORMAL EXAMINATIONS

Students in Year 11 will sit an end of course examination in Term 3. Students will be given a copy of the campus examination rules and procedures with the timetable for the examinations. Students who study a course at the other campus will sit for the examination in that course at their home campus (see Appendices for exam rules).

# ZERO MARKS AWARDED

A student may be given a zero mark if they:

- Have not made a serious attempt to do the task, including work that is trivial, frivolous or offensive;
- Are absent from a task without a valid reason (see above);
- Have been involved in malpractice or submits plagiarised work (see HSC All My Own Work)

# APPEALS

Students have the right to appeal if they feel that the process used does not comply with the set rules (see Appendices of this booklet for form). Appeal forms must be lodged within one calendar week of the return of the task. Students should note that an appeal cannot be considered if it is based on the actual marks obtained. A student can only appeal on the basis of process. Appeals should be lodged with the Deputy Principal.

A decision will be made by a panel, which may consist of the Principal, Deputy Principal and relevant Head Teacher (refer to Appeals form in Appendices).

# SCHOOL REPORTS

School reports will be issued midway through the Year 11 course and after the End of Course Examinations, at the completion of Year 11.

Parents and Carers are encouraged to attend formal parent/teacher evenings throughout Year 11 to discuss the progress of their child.

Parents or Carers should also contact the school directly and immediately should there be any concerns at other times.

Shared course students will receive an invitation to the Kelso High Campus Year 11 Parent and Teacher evening, and are encouraged to attend.

# ASSESSMENT SCHEDULES FOR VOCATIONAL EDUCATION AND TRAINING

## Assessment Advice for HSC VET Courses

Assessment in VET courses is competency based. This means that you need to demonstrate that you have gained and can apply the specific knowledge and skills for the unit of competency to be deemed competent in that unit. Evidence of competence will be collected in a variety of ways including written tasks, practical demonstration, portfolio or assignments.

You will be deemed “Competent” if performance in all required assessment activities for the unit of competency is satisfactory or Not Competent if you are still developing skills and/or your performance is at an unsatisfactory level. There is no pass or fail. This means that a course mark is not allocated. For this reason, the assessment schedule for HSC VET courses is in a different format to other NESA Courses.

Formal assessment will be scheduled only when you have developed the necessary skills and underpinning knowledge to demonstrate competency.

Your trainer will keep an outcome record of units of competency. You may request to see this record at any time to determine your progress. Alternately you will be supplied with a competency log for maintaining a record of units achieved. You are entitled to seek advice about options for further training and assessment for competencies ‘not achieved’. Refer to the Student Guide for additional advice. You will also receive a report from the school each semester indicating competency achievement. Competencies cannot be recorded without the sufficient assessment evidence.

**The achievement of units of competency** will lead to a Certificate at AQF level I, II or III or a Statement of Attainment towards the AQF qualification. A transcript will be issued by the NSW Education Standards Authority (NESA) on behalf of Public Schools NSW Wagga Wagga, Registered Training Organisation (RTO) 90333 for successful completion.

**Recognition of Prior Learning (RPL)** on the Wagga Wagga RTO RPL form with the portfolio of evidence relevant to each unit of competency for which RPL is requested. The RPL form and evidence portfolio must be submitted to your trainer prior to course commencement who will forward it to the RTO manager for review.

**Credit Transfer (CT)** may be given for units of competency (UoC) previously achieved with another RTO after verification of the UoC. Seek CT advice from your trainer prior to the commencement of the delivery of this UoC

**N Determination** letters will be issued to students who do not demonstrate due diligence and sustained effort in the course, participate in mandatory work placement and or apply themselves to course outcomes. This process may then lead to an “N” determination for this subject which may prevent the achievement of the HSC. Warning letters will not be issued for failure to achieve competency but are about fulfilling the requirements of learning for the HSC.

**Work placement** is a mandatory HSC component in some courses and must be completed during the course. (Refer to the specific course assessment summary for more detailed information).

- you will not be permitted to participate in a work placement if you are not deemed ‘work ready’ by your trainer.
- a ‘N’ determination will be issued if work placement is not satisfactorily completed. This means that the course will not count towards your HSC pattern of study. However, you will still receive a Certificate or Statement of Attainment which indicates one or more unit/s of competency achieved towards the qualification.
- the scheduled date for work placement is shown in the course assessment summary.
- you will complete a workplace journal of your placement.

## Work placement advice from NESA in response to COVID

<https://educationstandards.nsw.edu.au/wps/portal/nesa/about/news/novel-coronavirus/vet-work-placement>

**HSC Examination is only available in some VET courses. (Refer to the NESA course outline and the specific course assessment summary for detailed information).**

- Optional for students completing the 240 hour course and is intended for Australian Tertiary Admissions Rank (ATAR) purposes only. (Refer to the specific course assessment summary for more detailed information).
- Independent of the competency based assessment requirements for the Australian Qualifications Framework (AQF) VET qualification. The satisfactory completion of the course will still appear on your HSC if the optional exam is not undertaken.

If you intend to use your VET course towards the calculation of the ATAR, the school must submit an estimated mark of your likely performance in the HSC examination. The calculation of the mark is a school decision and will include the Trial HSC examination. This mark is only used in the event of misadventure.

**Some courses are changing for Preliminary 2022. When NESA releases the syllabus we will be able to update the Assessment Advice for these courses.**
