Presidents Report

In 2015 we as the Denison College Bathurst High Campus P&C conducted 9 meetings and were fortunate to be involved in the life of the school and our students.

The process of "Consultation" is a recognised organisational and business theme and, with the support of the School and College Executive we've had the opportunity to be consulted in the various operations and activities of the school which directly affect our students and fellow parents.

I would say that the P&C is a forum for understanding, feedback and information in issues like.

- The School Plan. Timetabling. Teacher Selection. Finance Committee.
- Student Wellbeing programs.
- The effect of Capital Works and improvements.
- Information Technology (BYOD).
- Management of the following Funds.
 - Monitoring the use of the Canteen, Uniform Shop, Trout and Goldie College Funds.
 - Supporting the School with funds for "extras" not in contract
 - Support for Students and groups who represent the school
 - Successful Financial Audit.

I'd like to thank my fellow members of the P&C Committee, Carol, John, Mel and Sandra for their willingness to take on a role, it's great working with you.

I'd like to thank you all, for the part you've played, particularly when you've brought your concerns to this meeting, listened to an issue, given your opinion and "voted" on a resolution. The success of this group belongs to you and your willingness to participate. It's a great opportunity to experience and understand how well the school is functioning, with the resources it has!

We've also been able to work together with the understanding that all students, not just our own, should have the same opportunities and access to resources.

Thank you again for your participation in the Bathurst HS P&C Association.

Trevor Liu

President 2015.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 December 2015

1. STATEMENT OF ACCOUNTING POLICIES.

The financial statements are a special purpose report prepared to satisfy the account preparation requirements of **Bathurst High School P&C Association**

The statements have been prepared on a cash basis from the records of the Organisation. They are based on historic costs and do not take into account changing monetary values or, except where specifically stated, current values of non - current assets.

INDEPENDENT AUDIT REPORT TO THE MEMBERS SCOPE

I have audited the cash basis financial statements of **Bathurst High School P&C Association**.for the year ended **31 December 2015**.

I have conducted an independent audit of these financial statements in order to express an opinion on them to the members of the Organisation.

My audit has been conducted in accordance with Australian Accounting Standards. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the cash basis financial statements, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether in all material aspects, the cash basis financial statements are presented fairly.

These policies do not require the application of all Statements of Accounting Concepts and Accounting Standards.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion.

In common with the circumstances existing with respect to many similar non-commercial organisations, it was not possible to establish accounting control over a substantial proportion of cash receipts prior to their being recorded by the Treasurer . Accordingly, it was not possible in my review relating to receipts to extend my examination beyond the amounts recorded by the Treasurer. Thank you to your Treasurer, Sandra Hamer, on an excellent set of accounts.

Subject to the limitation to the scope of my audit mentioned above, the cash basis financial statements of **Bathurst High School P&C Association**. presents fairly the financial position at **31 December 2015** and the results of its operations for the year then ended.

i

Thank you for allowing me to do the Audit.

X
